The hidden gem of Russia.

A new era has come.

Probably you might think that Surgut is an ordinary city in Russia. Well, that's not true! It could be so a hundred years ago, however nowadays the city is really thriving I should say! Modern tourism.

Surgut has a lot of sights and places of interest that may attract all kinds of people. For instance, there is the largest museum of oil and gas in the whole country. It is located on the highest building in Surgut - Golden Castle. Golden Castle can be considered as the city centre. All of the touristic places are integrated there, even restaurants and cafes with great views. Modern transport.

The system of public transport works as perfectly as you can imagine. There's even a large flying subway-train! Although in other cities it has become a usual thing, Surgut is still competitive when we talk about vehicle system. Modern career.

Surgut is one of the best places to start your future career. Every modern job is in demand here. Obviously, the government offers vital conditions to make work and study convenient. By the way, a new system of education is used all over the place. It means that each school has a special software that connects it with The Educational Network and other schools in the city. Your choice.

To conclude I would like to say that I highly recommend you to visit this outstanding city of Russia. Although it is fully your right to choose, I suggest you to take this amazing chance and I bet that you will not regret!
