of day in Altay mountains.
The nature of Altay has immensely fascinating view. Various kinds of trees, animals living in forests.

These facts quite inspired our family to travel to this wonderful place this summer.

That was a nice sunny day. My family and I decided to go for a trip in mountains. My dad was bringing a huge bag with a plenty of things inside, brother was delighted to spend time like that, my mom and I were conversing together. I wanted to go to the river at the foot of the mountain, my mom was against it, but I did. The river was rapid and I almost went with the flow. That was a lesson for me to listen to my parents.
